SICKNESS, INJURIES, AND TREATMENTS

Operation name: _____

GUIDANCE

Use this sheet to record:

All treatments, whether preventive (e.g., vaccination) or therapeutic (e.g., antibiotics).

All sickness/injuries observed at any time- this could be during routine flock observations or routine handling - and the outcome.

If lameness affects more than 5% of the flock, you must complete a working plan.

Date	Animal/Group ID	If you treated the animal(s):				If sickness/injury was observed:	
		Substance given	Method of administration	Duration of administration	Employee giving treatment	Type of sickness/injury *(e.g., lame, thin, respiratory)*	Outcome *(if the sheep dies or is euthanized, this should also be recorded in your Mortality Records)*

This template was created by Global Animal Partnership to provide a free resource for operation seeking G.A.P. certification.
