Amendment to G.A.P.'s Pilot Policy Manual v1.0 - Section 6 (Certificates)

The following amendment is adopted:

Section 6 – Certificates – Denials vii currently states *“There is no time restriction for denied Operations that want to reapply for certification”*.

As of August 10, 2017, this bullet vii is replaced in its entirety with the below:

- vii. Any Applicant may reapply following receipt of letter of denial of an application for certification, provided that the Applicant;
- a. Submits an Application;
 - b. Resolves all outstanding non-conformances identified in the audit report prior to submission of the Application; and
 - c. Submits the Application to the certification body that issued the denial except, that, after 180 days from the date appearing on the letter of denial, the Application may be submitted to any approved certification body.

If there are any questions or concerns with regards to this amendment, please contact G.A.P.'s Farm Animal Welfare Manager at fvalentine@globalanimalpartnership.org.
