

Operation name

SUIDANCE

Use this sheet to record: All treatments, whether preventive (e.g., vaccination) or therapeutic (e.g., antibiotics). All sickness/injuries observed at any time - this could be during routine observations or routine handling - and the outcome.

If any evidence of tail bitting is observed, you must complete a working plan.

 If lameness affects more than the following thresholds of your pigs, you must complete a working plan.

 Step 1: 5%
 Step 2: 4%
 Step 3: 3%
 Step 4: 2%
 Step 5 and 5+: 1%

Date	Animal ID / Group ID	If you treated the animal(s):				If sickness/injury was observed:		
		Substance given	Method of administration	Duration of administration	Employee giving treatment	Type of sickness/injury (e.g., tail bitting, lame, thin, respiratory)	Outcome (if the animal dies or is euthanized, this should also be recorded in your Mortality Records)	Date of outcome

This template was created by Global Animal Partnership to provide a free resource for operation seeking G.A.P. certification. If you want to use this template in other ways, please contact G.A.P. at <u>standards@globalanimalpartnership.org</u>.
